Dear Michael;

I would like to thank you for doing such a fine job on our pool deck and seawall area. The job came out just as we asked. I would also like to thank you and your crew for being so professional. which seems to have almost totally disappeared in today's market.

We will recommend you to our business associates, friends and others who see our pool area and ask about your company.

Thank you and good luck!

Sincerely,

Cindy Frost
